

MB992006

A technical line drawing showing a cable assembly. On the left, a component labeled 'MB992006' has a 'CC' label and two vertical lines. A cable with three twisted pairs enters from the top, passes through a sleeve with two screws, and connects to a multi-pin connector. A callout line points from the 'MB992006' label to the sleeve. The cable continues to the right, exiting the frame.
