

MB991933

This technical line drawing illustrates a mechanical assembly, likely a part of a vehicle's suspension or steering system. A long, horizontal beam is the central component, secured by a chain at its right end. Two callout lines with arrows point to specific parts: one points to a small component labeled MB991933 on the left side of the beam, and the other points to a vertical rod or pin labeled MB991925 at the bottom center. The background shows various mechanical linkages and components.
