

Marked link plate
(Blue)

Marked link plate
(Blue)

Exhaust camshaft
sprocket
(Concave part)

The diagram shows the exhaust camshaft sprocket on the left. It is a circular gear with a central hexagonal bolt. A chain is wrapped around its outer teeth. An arrow points from the 'Marked link plate (Blue)' label to a specific link on the chain. The sprocket has a concave inner surface with several circular indentations.

Inlet camshaft
sprocket
(Concave part)

The diagram shows the inlet camshaft sprocket on the right. It is a circular gear with a central hexagonal bolt. A chain is wrapped around its outer teeth. An arrow points from the 'Marked link plate (Blue)' label to a specific link on the chain. The sprocket has a concave inner surface with several circular indentations.
