

Marked link plate
(Blue)

Marked link plate
(Blue)

Exhaust camshaft
sprocket
(Concave part)

This diagram shows the exhaust camshaft sprocket assembly. A chain is wrapped around a sprocket with 12 teeth. A link plate on the chain is marked with a cross-hatch pattern. An arrow points from this mark to a specific pin on the sprocket's face. The sprocket has a central hexagonal nut and a concave inner surface.

Inlet camshaft
sprocket
(Concave part)

This diagram shows the inlet camshaft sprocket assembly. A chain is wrapped around a sprocket with 12 teeth. A link plate on the chain is marked with a cross-hatch pattern. An arrow points from this mark to a specific pin on the sprocket's face. The sprocket has a central hexagonal nut and a concave inner surface.
