

Starting

Fixed timing  
(5° BTDC)

Normal driving

Timing advance map value  
in accordance with  
engine speed  
and intake manifold vacuum

Checking ignition timing

Fixed timing  
(5° BTDC)

Engine coolant  
temperature sensor

Intake air  
temperature sensor

Engine  
coolant  
temperature  
correction

Intake air  
temperature  
correction

Power  
transistor

Ignition coil  
primary current
