

A detailed line drawing of a hydraulic system component, likely a valve or actuator. The drawing shows various ports, hoses, and mechanical parts. Two specific components are highlighted with labels and leader lines. The label 'Oil control valve' points to a small, complex assembly in the upper right. The label 'Equipment side connector' points to a circular connector with two numbered ports (1 and 2) in the lower left. The drawing is a technical illustration, likely from a manual or catalog.
