

MB991928

This technical diagram illustrates the assembly of a mechanical component, likely a bracket or support arm, onto a larger structure. The diagram is a black and white line drawing. A long, rectangular bar, labeled MB991928, is shown being positioned horizontally. It has a pin or bolt at its left end and a hole at its right end. A vertical rod, labeled MB991925, is shown being inserted into a hole in the bar. A chain is attached to the right end of the bar. A small rectangular piece is shown being inserted into a slot in the bar. A large arrow points to the bottom of the vertical rod, indicating its insertion point. The background shows various mechanical components and structures.
