

This diagram shows the rear seat backrest assembly in an exploded view. The main component is the backrest panel (7). Various hardware items are shown being installed into it:
 

- 1: A bracket or support piece.
- 2: A small fastener or pin.
- 3: A circular cap or cover.
- 4: A small screw or pin.
- 5: A long bolt or screw.
- 6: A shorter bolt or screw.
- 8: A cable or hose with a connector.
- 9: A central mechanical component, possibly a hinge or latch, with arrows labeled 'A' indicating its range of motion.
