

Q

<ASC>

A technical line drawing of a vehicle's steering wheel sensor assembly. The diagram shows a steering wheel with a central hub and a sensor unit mounted on the hub. A hand is shown pointing to the sensor unit. A dashed line indicates the sensor's position. A thick black arrow points to the sensor unit. The text "Steering wheel sensor" is written below the arrow. The text "AC311528AG" is written in the bottom right corner.
