

FACTS & FIGURES

Standard Interior Features

Assist Grips—Rear passenger
 Carpeting—Cut pile, passenger and cargo areas
 Cigar Lighter
 Clock—Electronic digital
 Console—Floor shifter
 Demisters—Side windows
 Fuel Filler Door—Remote cable release
 Headliner—Color-keyed
 Hood Release—Inside
 Instrumentation
 ■ Inclinator
 ■ Odometer
 ■ Oil pressure gauge
 ■ Tachometer
 ■ Temperature gauge
 ■ Trip Odometer
 ■ Voltmeter
 Lights—Dome
 Mirror, Day/Night—Rearview inside
 Remote Tailgate Release
 Seats—Reclining cloth-and-vinyl buckets
 Spare Tire—Rear outside-mounted
 Steering Column—Adjustable
 Steering Wheel—Two-spoke, soft-touch
 Sun Visors—Dual

Standard Mechanical Features

Alternator—12-volt, 45-ampere
 Battery—45-ampere, maintenance-free
 Brakes, Power-Assisted—Dual braking system split front and rear, disc front, self-adjusting drum rear
 Electronic Ignition
 Hubs—Automatic locking front
 Stabilizer Bar—Front
 Steering—Power-assisted
 Suspension—Torsion bar front, leaf spring rear
 Transmission—Five-speed manual with overdrive

Standard Exterior Features

Bumpers—Black painted front; black painted rear step
 Corrosion Protection—Extensive use of galvanized steel
 Fuel Tank—15.9 gallons
 Glass—Tinted, all windows
 Grille, Front—Black
 Headlights—Single round
 Hooks—Cargo tie-down
 Mirrors—Outside, left and right
 Mud Guards—Front and rear
 Skid Plates—Underbody protection for front and rear differentials, transfer case and fuel tank
 Tires—Steel-belted radial black sidewall, P225/75R15
 Tow Hooks—Front and rear
 Transfer Case
 Wheels—15" painted wide-spoke
 Windows—Left and right sliding rear quarter
 Windshield Wipers—Intermittent, variable

Options

Air Conditioning
 Defroster—Rear electric
 Off-Road Package—Includes:
 ■ Driver suspension seat
 ■ Halogen headlights
 ■ Headlight washer
 ■ Limited slip differential
 Paint—Two-tone
 Radios—
 ■ AM/FM stereo w/two speakers
 ■ AM/FM stereo cassette w/four speakers
 Rear Washer/Wiper
 Seat—Fold-down rear
 Spare Tire Cover
 Transmission—Four-speed automatic overdrive
 Wheels—15" chrome-plated wide-spoke w/raised white letter tires

Engine

Type—Four-cylinder Silent Shaft OHC cast iron block, aluminum cylinder head
 Displacement—2.6-liter (156 CID)
 Bore and Stroke—3.59" x 3.86"
 Compression Ratio—8.7:1
 Horsepower SAE Net @ RPM—109 @ 5,000
 Torque @ RPM—142 @ 3,000
 Axle Ratio—4.62:1

Color Combinations

Exterior	Interior

'87 RAIDER

IMPORTED FROM JAPAN

BUILT BY MITSUBISHI MOTORS CORPORATION
SOLD AND SERVICED BY DODGE DEALERS

RAIDER

Built by Mitsubishi Motors Corporation and offered for the first time by Dodge, Raider is the sport utility that "can do."

Its proven 2.6-liter engine churns out plenty of torque. A standard five-speed manual transmission provides off-road control and overdrive highway economy. Automatically locking front hubs, front and rear tow hooks, skid plates, cargo tie-down hooks, and front and rear mud guards are standard; while an optional Off-Road Package can take you even farther.

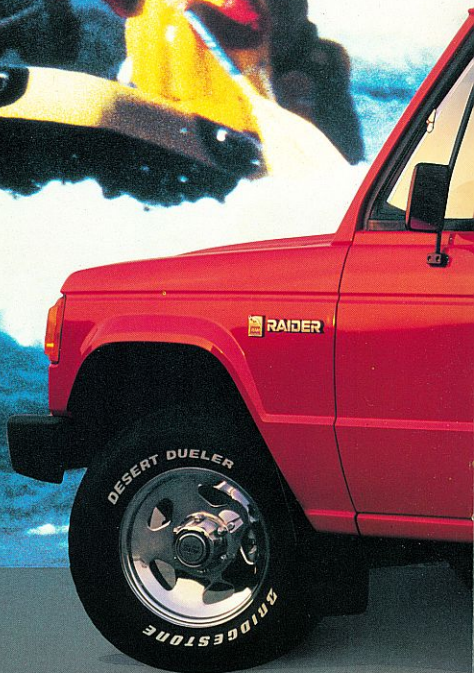

Engineering features like these helped specially prepared Raiders win the grueling Paris-Dakar Endurance Rally for the past four years.

Raider "can do" for you, too.

About this catalog: Since the time of printing, some of the information you'll find herein may have been updated. Ask your dealer for details.

Some of the equipment shown or described herein is available at extra cost.

RAIDER

Raider's "can-do" attitude extends to a whole raft of standard features such as power-assisted steering, full interior trim, a bi-level ventilation system with side window demisters, tinted glass, and remote fuel door and tailgate releases. How about intermittent windshield wipers? Check. An adjustable steering column? Gotcha.

The sport utility that has it all also has a place to keep it. Raider seats four, with optional rear seat, and boasts a surprising amount of cargo room.

Good looks haven't been overlooked either. Optional chrome-plated spoke wheels and raised white letter tires make a statement wherever you go.

FEATURES & OPTIONS

A black rear step bumper with chrome accents makes entering or exiting the tailgate a breeze.

Rugged skid plates protect front and rear differentials as well as the transfer case and fuel tank from scrapes.

Special headlights washers, available with the Off-Road Package, help keep your vision clear and make inconvenient stops to clean the headlights unnecessary.

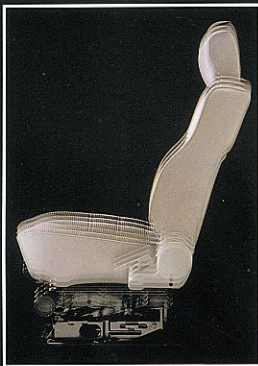

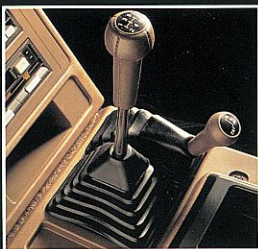

Comfortable cloth-and-vinyl front bucket seats with fully reclining seatbacks and a console are standard.

The optional rear seat folds down to allow for extra cargo room... put it up to carry passengers.

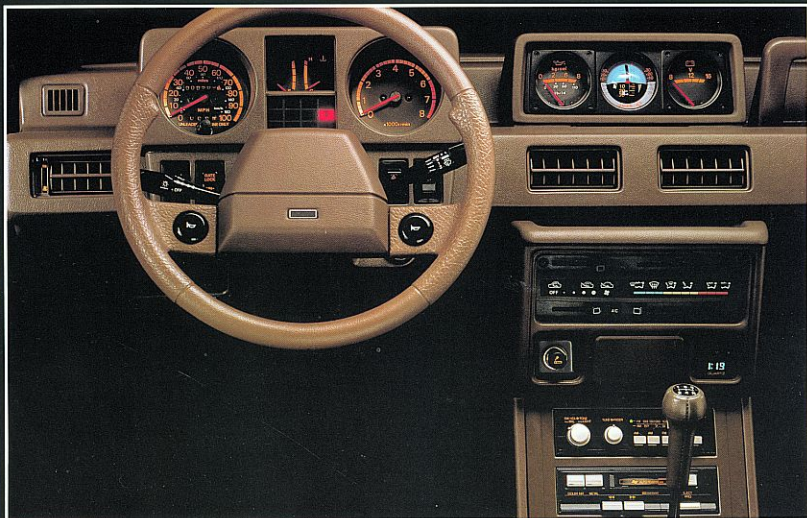

A five-speed manual transmission with overdrive is standard. (A four-speed automatic overdrive transmission is also available.)

A specially constructed sport seat, available with the Off-Road Package, features extra vertical cushion travel to help keep the driver comfortable during off-road maneuvers.

An instrument panel-mounted inclinometer displays Raider's tilt angles in degrees, assisting in off-road decision making.

P225/75R15 steel-belted radial tires on 15-inch painted wide-spoke wheels are standard on Raider.

Raider's full instrumentation includes a tachometer, oil pressure gauge, volt-meter, temperature gauge, speedometer, and fuel gauge; plus a trip odometer, inclinometer and warning lights. Air conditioning and an AM/FM stereo radio with two speakers or an AM/FM stereo/cassette with four speakers are also available.
