

8. Transfer Clutch Pressure Test

Test S502159

A: INSPECTION

S502159A10

1. TEST METHODS

S502159A1001

Check transfer clutch pressure in accordance with the following chart in the same manner as with line pressure.

ST 499897700 OIL PRESSURE ADAPTER
SET

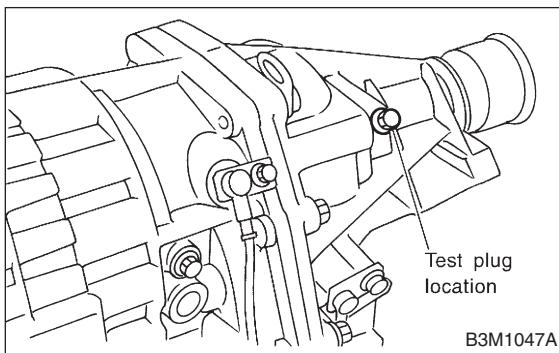

ST 498575400 OIL PRESSURE GAUGE
ASSY

AWD mode: "D" range

FWD mode: "P" range, engine speed 2,000 rpm

CAUTION:

Before setting in FWD mode, install spare fuse on FWD mode switch.

B3M1047A

2. EVALUATION

S502159A1002

NOTE:

If oil pressure is not produced or if it does not change in the AWD mode, the transfer duty solenoid or transfer valve assembly may be malfunctioning. If oil pressure is produced in the FWD mode, the problem is similar to that in the AWD mode.

Standard transfer clutch pressure kPa (kg/cm ² , psi)			
Duty ratio (%)	Throttle position	AWD mode	FWD mode
5	Full closed	932 — 1,089 (9.5 — 11.1, 135 — 158)	—
60	2/3 throttle	216 — 304 (2.2 — 3.1, 31 — 44)	—
95	Full open	—	0 (0, 0)
