

7. Scalp Cap

A: REPLACEMENT

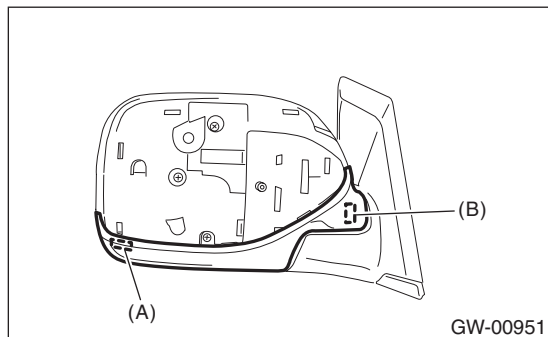

- 1) Remove the mirror. <Ref. to GW-16, REPLACEMENT, Outer Mirror.>
- 2) Detach claw (A) from the inner side of the outer mirror, and remove the scalp cap.

- 3) Detach claw (A) and (B) from the inner side of the outer mirror, and remove the lower cover.

CAUTION:

Claw (B) cannot be removed from the inner side of the outer mirror. Be careful not to damage when removing.

- 4) Install the scalp cap and lower cover securely.
