

### 31.A/C Filter

#### A: REPLACEMENT

- 1) Remove the pocket assembly. <Ref. to EI-63, REMOVAL, Glove Box.>
- 2) Pinch the tabs to release the lock, and remove the filter kit.

AC-03574

#### NOTE:

Pull out while tilting the front side of the filter downward to prevent dirt or dust from falling inside the case.

3) Install a new filter kit.

4) Install the pocket assembly.
