

AIRBAG SYSTEM (DIAGNOSTICS)

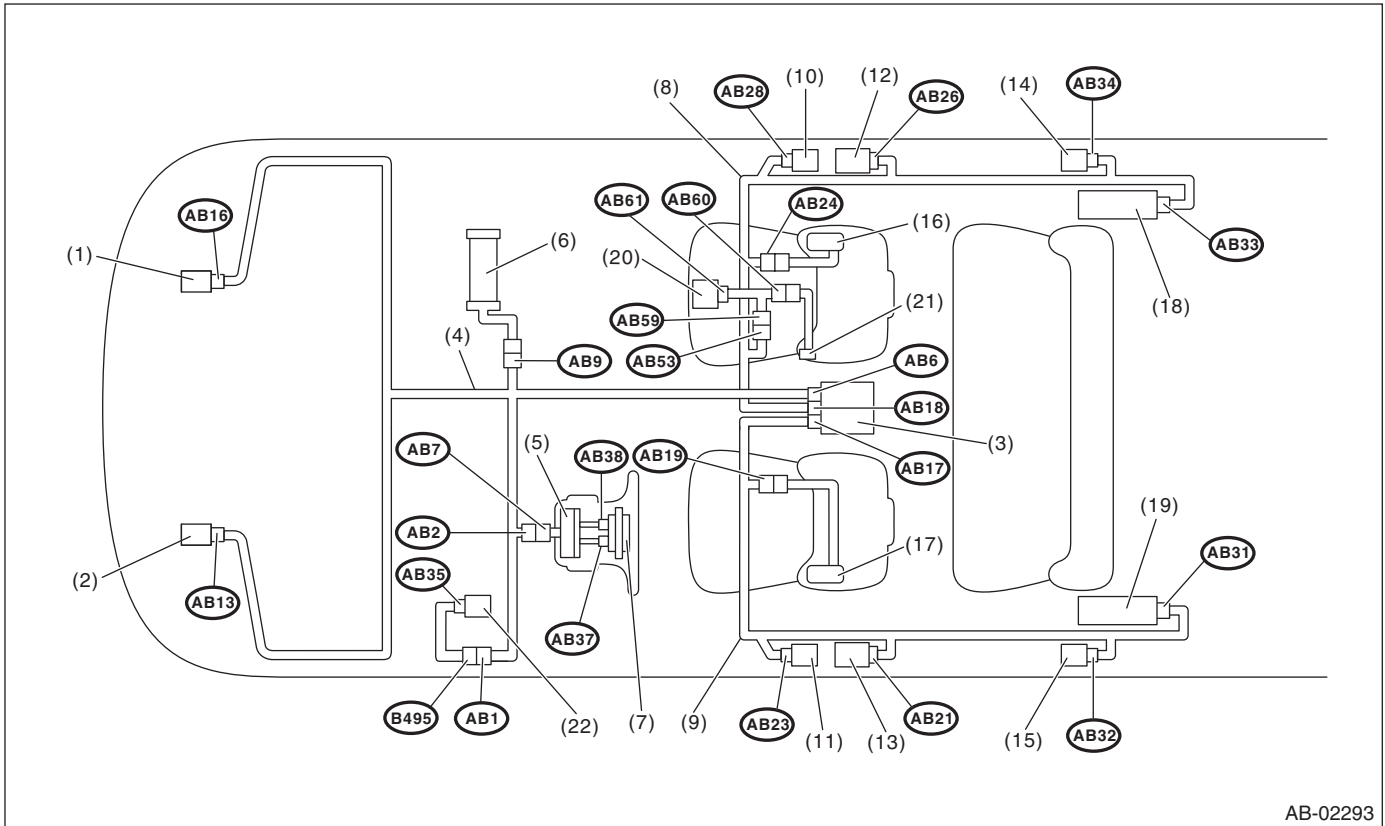

A: LOCATION

-
- This diagram illustrates the exploded view of the AB-02265 engine assembly. The components are numbered 1 through 22, and specific parts are identified by codes in ovals. The assembly includes a main engine block (1), a carburetor (2), a distributor (3), a timing belt (4), a water pump (5), a thermostat housing (6), a cylinder head (7), a piston and crank assembly (8), a connecting rod (9), a flywheel (10), a clutch assembly (11), a transmission (12), a rear axle assembly (13), a front axle assembly (14), a steering knuckle (15), a suspension arm (16), a shock absorber (17), a control arm (18), a steering rack (19), a tie rod end (20), a ball joint (21), a wheel hub (22), and a brake master cylinder (23). The diagram shows the relative positions and assembly sequence of these components.
